### Voice of the student

*King's College London Summer School was absolutely outstanding. It was by far the best experience of my academic studies to date. Learning in the heart of London at one of the world's most prestigious universities is something that will definitely be a credit on my resume for prospective employers.*

**Alexandra from Australia**

King's faculty and staff ensure you experience our globally-renowned, research-led teaching through interactive seminars, lectures, group discussions, off-campus excursions and guest speakers.

For international students, the Undergraduate Summer School is a chance to immerse yourself in British culture, become more familiar with the UK higher education system, and make new friends with students from around the world.

Classes take place on our riverside campuses in the very heart of London, so you will be within easy reach of all the main visitor attractions enabling you to explore the city while you learn.
