Professor Xu Wei
Deputy Director, Institute of Science and Technology
China Pharmaceutical University

Invitation to Roche Global Policy Standing Committee Meeting, 18-19 November 2026 in Zurich, Switzerland

Dear Professor Xu Wei;

On behalf of the F. Hoffmann-La Roche (Roche) Global Policy and Advocacy Team, it is a great honor to formally invite you to participate in the upcoming meeting of the Roche Global Policy Standing Committee being held on November 18-19, 2026 in Zurich, Switzerland.

As a renowned expert and visionary leader in healthcare and medical insurance policy in China, your pioneering research and profound impact on shaping pharmaceutical innovation access and strategic healthcare reform have earned widespread acclaim. Your exceptional contributions to advancing healthcare sustainability and bridging clinical practice with policy frameworks have consistently set a remarkable benchmark. We strongly believe that your invaluable insights and strategic perspectives will contribute significantly to our global high-level discussions regarding healthcare policy and the future of sustainable health systems.

The event details are as follows:

- **Event Name:** Roche Global Policy Standing Committee Meeting
- **Dates:** November 18-19, 2026
- **Location:** The Circle Conference Centre, Zurich Airport, Zurich, Switzerland
- **Organizer:** Roche Global Policy and Advocacy Team

Please note that the cost and expenses associated with attendance at this meeting, including air travel, accommodation and onsite food and beverage will be borne by Roche. We sincerely look forward to welcoming you to Zurich in November.

Warmest regards,

Lydia Lanman
Global Policy Director, Global Policy and Advocacy
