Dear Prof. Jifang Zhou

On behalf of the International Society for Pharmacoepidemiology ("ISPE"), I am pleased to formally invite you to participate as a valued presenter (oral or poster) at our upcoming Asian Conference on Pharmacoepidemiology (ACPE) scheduled to take place from 21 November to 23 November 2025, in Hong Kong SAR, China.

ACPE 2025 will bring together leading researchers, practitioners, and policymakers to advance the fields of pharmacoepidemiology, pharmacovigilance and data sciences and will provide an excellent platform for learning, idea-exchanging and networking for folks from multiple sectors who are interested in pharmacoepidemiology and outcome research across Asia and the globe.

The purpose of your visit is to present your research and/or share your expertise, contributing to the professional development of educators and policy makers attending the conference. Your insights could be invaluable in fostering innovative approaches to education and your participation will enrich the session and inspire our attendees.

Details of the Visit:

- Dates of Visit: 21-23 November 2025
- Duration of Stay: 3-5 days
- Purpose: Presenter /Attendance at Education Advancement Session and/or ACPE
- Venues: Cyberport 3, 100 Cyberport Road, Hong Kong AND The University of Hong Kong
- Website: <https://www.asianpharmacoepi.org/>
- Financial Responsibility: Self-funded by attendee

Should you require any further information or assistance, please contact the conference secretariat, Leanne Mulheran, at acpe@expertevents.com.au.

Warm regards,

Professor Esther Chan
