Letter of Invitation

On behalf of the Organizing Committee, we are pleased to invite you to attend the **26th International Symposium on Microsomes and Drug Oxidations 2026 (MDO 2026)**, to be held in Hong Kong from **30 May to 3 June 2026** at the Henry Cheng International Conference Centre (HCICC). MDO 2026 is organized by the School of Pharmacy, Faculty of Medicine, The Chinese University of Hong Kong (CUHK).

MDO 2026 will provide a vibrant forum to discuss the latest advances in drug-metabolizing enzymes, drug receptors, and drug transporters. The meeting is expected to welcome approximately 250–350 participants and will feature a highly interdisciplinary program. MDO meetings are renowned for fostering synergistic interactions and showcasing cutting-edge developments in drug metabolism research.

We would also be honored if you would join us as an invited **speaker** to present in the following session. Upon acceptance, please provide your abstract and brief biography to the Registration Department for programme and promotional purposes.

Presentation title: Construction of Organoids and Their Application in Druggability Evaluation

Symposia Topics: Strategies and New Tools

With regard to conference registration, we would be grateful if you could kindly complete registration and remit the applicable fee in line with the official MDO 2026 categories and deadlines. We regret that complimentary registration cannot be extended on this occasion. This invitation likewise does not cover travel or accommodation expenses; we hope you will be able to make your own arrangements at your convenience.

If you have any questions or require assistance, please contact the Registration Department at mdo2026@icc.com.hk or (852) 2559 9973.

We look forward to the possibility of welcoming you to MDO 2026.
